

Michael Blount, P.E., LEED AP BD&C
SENIOR VICE PRESIDENT, Navy Accounts
AECOM

Mike has more than 39 years of experience in the construction industry. During his tenure in the Navy's Civil Engineer Corps, Mike had nine overseas deployments with the U.S. Navy Seabees including the Gulf War and Operation Iraqi Freedom. His career was highlighted by his last two Command tours - Commodore of the THIRTIETH Naval Construction Regiment, responsible for over 2,500 Seabees and all Pacific Rim Seabee construction; and Commanding Officer of Naval Facilities Engineering Command Southeast, responsible for 1,700 personnel and over \$2.5 billion per year in construction, facilities maintenance, environmental restoration and real estate efforts. Mike retired as a Captain in 2008. Soon after retirement Mike joined Balfour Beatty Construction. Working primarily in the Federal sector, Mike has been responsible for numerous project awards with both the Army Corps of Engineers and the Naval Facilities Engineering Command. In 2016, Mike joined AECOM running their Navy Program.

He holds a BS in Environmental Engineering from the University of Florida, a MS in Environmental Engineering from the Georgia Institute of Technology and a Professional Degree in Water Resources from The George Washington University. He is a professional Civil Engineer, a member and Past National President for the Society of American Military Engineers (SAME), a member of SAME's Academy of Fellows, a LEED Accredited Professional BD&C,
